FIRE DEPARTMENT HEALTH AND SAFETY OFFICER

MFRI Course Number: MGMT-216-A004-2023

Prerequisite(s): There are no prerequisites for this course.

Course Objective: To provide students with the knowledge, skills, and abilities necessary to effectively administer a fire department health and safety program.

Course Description: Major topics covered include the responsibilities of the health and safety officer; safety and health laws; codes, regulations, and standards; record keeping and data analysis; standard operating procedures; organizational and operational risk management; safety and health programs; training functions; accident investigation and post-incident analysis; facilities inspection; apparatus, equipment, and protective clothing; and reports and recommendations. Methods of instruction include lecture, discussion, learner presentations and small group learning activities.

Successful Completion: Students must attend required classroom sessions, demonstrate proficiency in the practical skills evolutions, complete all required online and classroom activities and homework assignments, and obtain a score of 70% or better on the final project. This course satisfies the professional certification requirements for Health and Safety Officer.

Course Schedule: Class is scheduled to take place at the PSTF from 0800-1500 (which includes a lunch break), and will be held on the following dates:

Dates
October 4, 2022
October 7, 2022
October 13, 2022
October 19, 2022
October 25, 2022
October 28, 2022

Registration: Register at <https://zone.mfri.org/reg/MGMT-216-A004-2023>. Frederick County personnel have priority seating for this class, even if the class is listed as “Full” and you are directed to fill out information to be placed on a Wait List, so be sure to register. DFRS does require a minimum of 10 enrolled Frederick County personnel, or the class will be cancelled.

Career Personnel who want to attend the training, in addition to MFRI registering online, should submit a Frederick County Fire/Rescue Training Request through our **Electronic Training Request Form**: <http://www.frederickcountymd.gov/FormCenter/Fire--Rescue-6/DFRS-TRAINING-REQUEST-FORM-58>. Click “Submit & Print” option.
