To Whom it May Concern ,

The Frederick County Public Schools (FCPS) Central Office Social Committee is responsible for planning and coordinating social activities for the benefit of FCPS Central Office staff. The primary focus of the Social Committee is to foster community spirit among our various departments through a wide variety of events including donation drives to support our local non-profit partners.

In December, we held a silent auction in conjunction with our December De-Stressor event. The winners of each silent auction item were able to choose which FCPS non-profit partner they would like their donation to benefit. Please see photos below of some of the silent auction items!

Your non-profit organization, Frederick County Fire and Rescue Assn Inc., was chosen by a winner/s to receive the proceeds of their bids. This successful silent auction yielded \$45.00 in donations to support your program. Please see the enclosed check/s made out to your organization. Thank you for all you do to support the FCPS community! We look forward to supporting our partnership with you again in the future.

All the best,

Sabrina and Orissa
